

*Where Nature Surrounds &
Happiness Abounds...*

Ahinsha
 Naturez Park

WHERE NATURE MEETS STATURE.

*Impossible wish lists
made possible*

Imagine a wish list, which sprawls, larger than life over rolling green acres. A wish list, conceived to give you everything, from chirping birds and evergreen trees, to low density habitation, accentuated by idyllic, old-world charm. A wish list which puts you first, as a luxury home owner, and gift-wraps a world you have always dreamed of.

Welcome to Ahinsha Naturez Park !

Architect
**HAFEEZ
CONTRACTOR**

I had two goals when I created the Naturez Park Blueprint. First, the homes should accomplish their practical duty of personalizing the resident's world with luxuries and necessities, and secondly, that they do so by being graceful, pleasing, and uniquely singular.

To create a signature masterpiece, I looked to the laws of Nature as a support. I believe, with nature as your inspiration, your architectural statement is complete and in collaboration with the designs of the Creator. As a result, the buildings are optimized for natural light and ventilation and reduce the carbon footprint by minimizing wastage of natural resources.

- 2 minutes drive from Sarai Metro Station • 5 minutes signal free drive from Delhi Border
- 15 minutes drive from Nehru Place, Delhi • 30 minutes drive from Huda City Center, Gurgaon
- 35 minutes drive from Delhi Airport • 40 minutes drive from Connaught Place, Delhi

Distance and timelines are tentative and approximate subject to road & infrastructure facilities provided by the appropriate authorities

Ahinsha Naturez Park

WHERE NATURE MEETS STATURE.

Nestled in the lush green Aravali Ranges at Suraj Kund, Naturez Park is a bouquet of limited edition exclusive premium residences, which comprise a perfect fusion of pristine nature and ultra modern architecture. There are only a few available... the only few of their kind, in the whole wide world.

The Magnificence

Double Height Entrance Lobby
